## ABOUT PAYMENTS AND INSURANCE

Health insurance is considered a method of partial reimbursement to patients for fees paid to the doctor and should not be considered a substitute for payment. Some insurance companies' pay fixed allowances for certain procedures, and others pay a percentage of the charge after a deductible. It is the patient's responsibility to pay any deductible amount, co-insurance, or any other balances not paid for by his or her insurance prior to procedure.

### FOR YOUR APPROVAL:

To the extent necessary to determine liability for payment and to obtain reimbursement, I authorize disclosure of portions of my medical records.

I hereby assign all medical and/or surgical benefits to include major medical benefits to which I am entitled, in regard to the services and procedure(s) performed including private insurance and other plans to the Schaffer Plastic Surgery Clinic.

This assignment will remain in effect until revoked by me in writing. A photocopy of this assignment is to be considered as valid as the original. I am financially responsible for all charges whether or not paid by said insurance. I hereby authorize said assignee to release all information necessary to secure payment.

### **ALL COPAYS, DEDUCTIBLES AND/OR CO-INSURANCE FEES ARE DUE IN OUR OFFICE PRIOR TO DATE OFPROCEDURE.**

I understand that I am financially responsible for all charges, whether or not covered in whole or in part by insurance. If these services are covered by insurance, I authorize you to release my medical records for insurance purposes and to file with my insurance carrier on my behalf. I assign any payments directly to Dr. Schaffer for the covered procedures. As consideration for the services provided, I agree to pay all charges for services not covered by my insurance carrier. If payment has not been received by completion of treatment, the physician may, at his discretion, place the unpaid account with an attorney for collection. If this action is necessary, I agree to pay an attorney's fee, court cost and any other reasonable cost of collection.

I understand that a check returned by my bank for any reason is subject to a \$50.00 service charge.

I consent to necessary treatment, including drugs and medications, tests and procedures that may be administered or performed by attending physicians, nurses and/or staff.
